

Architecture Awards Program

Pinnacle Awards

- Pinnacle Awards are given to projects that exemplify craftsmanship and professional mastery in the use of natural stone for commercial and residential applications.
- Pinnacle Award entries must be submitted by a Natural Stone Institute member company.
- Only the company or companies that submit an entry will be eligible to receive a Pinnacle Award. Encourage other project participants to enter.
- **NEW! Each Pinnacle Award entry will also be considered for a Tucker Design Award.** If an entry receives both a Pinnacle Award and Tucker Design Award:
 - The Pinnacle Award will be given to the NSI member company that entered and the Tucker Design Award will be given to the primary design team.

Tucker Design Awards

- Tucker Design Awards celebrate design professionals who achieve excellence in design through the incorporation and use of natural stone in building or landscape projects.
- Tucker Design Awards will be given to the primary design team.
- **NEW!**
 - **Tucker Design Award becomes an annual event.**
 - **Entries MUST involve a Natural Stone Institute member.**
 - **Choice of project category is now required.**

Both Pinnacle and Tucker Design Awards entries must include the 500-word description for the Jury Review Document and additional 150- and 300-word descriptions for video and printed program use.

Additional Requirements

- All projects must feature NATURAL stone.
- Projects must have been completed within three years of entry deadline and comply with association standards as defined in the *Dimension Stone Design Manual* and technical modules.
- Jury Review PDF* should be prepared with the judging criteria in mind: excellence in implementation of design; quality craftsmanship; innovative solutions to unique challenges; and control of stone material, tone, and character quality.
- Jury Review PDF must be generic and anonymous. Do not include company identification, architect name, or proprietary product names in the document.
- Project Participant List will include all company names and proprietary stones, if any.
- All stone related company names must be disclosed if work or materials are visible in photos.
- Photos submitted should primarily illustrate the work of the member company or companies submitting the entry. Include:
 - 12 completed project photos (8"x10" at 300dpi)
 - 6 fabrication/installation photos (300dpi)
 - For renovation or restoration, include at least two photographs of the project prior to work (300dpi)
- Include signed photo release forms with associated photos noted.
- \$125 for first entry. \$100 for each additional entry.
- Tucker Design Award entry form is available for design community (non-NSI Member) use.
